We know things are uncertain at the moment, so we want to reassure you that we are working remotely and trying our best to meet the deadline of your project.

Dear <Contact Name>,

"Times like these remind us that we need to prepare ourselves for unforeseen circumstances in life."

As I write this e-mail, I am reflecting on the difficult times the world is currently facing due to the Coronavirus outbreak. Our prayers are with the people who have been impacted by the ongoing public health crisis. On our part, we are actively monitoring the situation in the country while working remotely with all our Clients and Employees.

Follow below steps to save yourself from COVID-19 Infection:

**Wash your Hand
Every Hour**

Wear Mask

**Avoid Social
Gathering**

**Work
Remotely**

We wanted to let you know that our business ethics have always centred around the principle of 'Customer first'. Amidst this global crisis, I wanted to underline that our focus remains on ensuring you as a customer get the best advice, services, and resolution to your queries in a swift and convenient manner. Let me assure you that we are fully geared to support you and take care of all queries regarding your new or existing tasks. We will try our level best to work hard and not hamper the delivery deadlines.

Stay Home! Stay Safe!

Below are the Contact details for any emergency regarding New or Ongoing Project Update.
